This work involved numerous partners working together to combat this with 2 Criminal Behaviour Orders obtained, over 10 Acceptable Behaviour Contracts agreed, numerous young people were prosecuted for a range of public order offences, dedicated patrols were deployed, improve partnership working with The College and the very successful Youth Space was created and continues. This has seen ASB reduce month on month with this October seeing 37 reports being made in comparison to 65 last year. Thank you to the Mayor and Town Council for their support in this success.</p> <p>Community Payback You may not be aware but many of the people the police deal with receive community orders from the courts, but were you aware that your local community groups, projects and parish councils can access the work they do? 	<p>work as part of their order. Community Payback must include a minimum of a day's work – lasting at least seven hours – once a week.</p> <p>People can also be sentenced to intensive Community Payback orders, which mean they must complete 28 hours of work every week.</p> <p>Across Humberside, Lincolnshire and North Yorkshire people on probation complete roughly half a million hours of Community Payback every year.</p> <p>All projects combine hard work and the chance for the participant to develop skills. It is also a punishment as the individual is giving up their time to carry out the work.</p> <p>Community Payback projects vary from maintaining the grounds of parks; churches; cemeteries; local football; cricket and sports clubs; schools and parks through to helping to run clubs for the elderly and vulnerable adults with learning difficulties. In addition, offenders who have been rigorously risk assessed can also be placed directly with charities and community groups, such as helping to run charity shops.</p> <p>Members of the public can nominate projects for Community Payback teams to complete.</p> <p>For more details follow this link then select "nominate a community payback project". http://www.hlnycrc.co.uk/what-we-do/community-payback/nominate-community-payback/</p> <p>And finally can I thank the Town Council for their continued support throughout the year, wish you all the best for the festive period and look forward to working together over the coming 12 months.</p>
