This is a burglary reduction initiative using the theory that offenders attack homes when they are in darkness assuming they are unoccupied. By identifying homes in darkness and promoting the ‘leave a light on’ campaign it reduces a properties vulnerability to attack. Throughout this period we were out on patrol delivering prevention packs to Northallerton and its surrounding villages. The proposal of a Pop-Up museum in commemoration of the 80th anniversary of WW2 ending is made by Cllr Palmer to emulate the one held in the Upper Hall in 2018 for anniversary of the end of WW1 and work completed by herself. <b>TC/1331</b>	<p><b>Clerks Report</b>  <b>Clerks Report January 2019</b>  <b>1. Update</b>  <b>TC/1246 Awaiting reply from letter to JBC regarding working from the Town Hall.</b>  <b>TC/1248 Consultants have been contacted re Bullamoor bridges awaiting reply.</b>  <b>TC/1309 We have received a booking form from the food festival we are awaiting for some replies from enquiries we have sent out.</b>  <b>TC/1314 A letter was sent to NYCC regarding the future of the Allertonshire site waiting a reply.</b>  <b>TC/1287 Bench for Applegarth in memory of the late Cllr Harvey has now been delivered and is ready to be sited.</b></p> <p><b>Homegrown Food Festival</b>  The office has been liaising with Wendy Cordury from the Legal &amp; Democratic Services at NYCC. Wendy has advised that although the Applegarth playing field is leased to the school, the land is still owned by the Town Council and should always be requested to be used by the Food Festival to the Town Council. This has not been the case in previous years, Applegarth have always handed over the keys to the Food Festival until matters came to a head last year. Wendy also advised that as land owners we can refuse the Festival from charging the public to enter this part of the field.</p> <p><b>Christmas Illuminations</b>  A meeting has been arranged to meet with Paul from Christmas Plus on 24th January to discuss any issues over this festive period.  Illumination competition we have received a large amount of entries from the schools for next year's illumination, I suggest the staff narrow down the entries and display the rest at the next Town Council meeting for Cllrs to decide the winner.</p> <p><b>Planting</b>  <b>We now have a new sponsor for Friarage Street roundabout Bishopton Vets on standard way.</b>  Cllr Dobson expressed he did not understand the advice provided by Wendy Cordery at NYCC Legal and Democratic services regarding the Town Council being landowners of Applegarth school playing field. He said that NYCC were the landowners not NTC.  Cllr Prest explained you can still be landowners and lease it out at the same time. Cllr Prest requested clarification from Wendy at NYCC who owns the land.  Cllr Robertson suggested we end the Christmas illumination idea and look into other types and styles of illuminations. Cllr Robertson asked if there was ever a time limit set on this competition. Cllr Palmer explained a time limit on this and would not support taking the competition away from the children of the town. Cllr Palmer suggested all information on Clerks report re illuminations to be deferred to the next Amenities.</p>
