Fraudsters contact vulnerable people and deceive them into sending the voucher codes over email and facebook which are then sold on. iii) We currently working with multiple agencies and schools to look at getting early intervention for vulnerable primary school students who are assessed as being likely to be involved in crime and anti-social behaviour in the future hoping with support and advice we can steer them away from this helping them make the right life choices. iv) We continue to develop the Northallerton Youth Space which goes from strength to strength. v) We continue to meet with our local Children’s Homes to discuss their residents and look to support the schemes with early intervention and advice.</p>	Anti-Social Behaviour (ASB)	- 61 reports	Autocrime	- 0 report	Dwelling burglary	- 3 reports	Commercial burglary/other	- 2 reports	Criminal damage	- 12 reports	Theft (all including from shop)	- 35 reports	Violence against the person	- 49 reports	Other crimes inc Drugs	- 39 reports	Hate Crime	- 0 reports	Total inc other crimes	- 201 reports

Town Council Meeting minutes, 15th July 2019

	<p>vi) Our work with the Street Angels continues as this project thrives and has now become a permanent fixture with the support and care that is offered in our night time economy and we have had requests from other areas asking how we set our scheme up and what processes are required to replicate it. A real sign of success for this flag ship project.</p> <p>This is just a few of many projects that are currently being progressed by your local team in partnership with the towns other agencies, all driven by the information and intelligence we receive from our community.</p> <p>Kindest regards. Simon Wilson PS882</p>

TC/71	<p>Mayors Statement</p> <p style="text-align: right;">Statement 15/07/2019</p> <p>1/ It has been to my attention that items are being talked to the staff that should not be spoken about to the current staff this has to stop as it could be classed as intimidation , harassment and grievance.</p> <p>2/ The BID has now been in operation for over 2 years and now has a new manager which it appears that we can work with in the town and has organised a number of events which have been successful we have to agree. This year they are not going to take over an empty shop to make a Santa grotto.</p> <p>3/ I would like councillors to really take a good look at what do we give the charge payer in this town for the council tax that they pay.</p> <p>4/ The planning for the Town Bonfire and Firework display are now well on the way and the company Reaction will do the display.</p>

TC/80	<p>Youth Space flag request 26/07/19</p> <p>Councillor Prest asks if the Council usually receive requests regarding the hanging of different flags to which Councillor Palmer asks if the legal obligations are met for each flag agreed to be hung from the building and that this is important to look into. Councillor Archer stated he is voting on what the majority of the town would want and that would be to not hang the pride flag up. Councillor Richardson explained how the Town Council, like that of other Councils across the country should take this opportunity to spread a positive message to the youth and how important equality is. Councillor Eames echoed this view explaining that the Council should fly the pride flag in support of the ever growing LGBTQ community in the town especially due to the recent bravery of a Youth Space attendee.</p>
